**Blue Eyes Black Hair Marguerite**

If Marguerite Duras' The Lover was her reclaiming the gaze that had transformed her into a sexual object, then Blue Eyes, Black Hair is its tragic counterpart. The combination of blue eyes and black hair, expressed in all of the characters within this novel, is generally a startling combination of genetics.

Blue Eyes, Black Hair might not be recommended for a first-time reader of Duras. The book is not flowing or visual or erotic in the manner of The Lover. It seems more a continuation of Duras' literary themes rather than a novel that stands by itself. It might be of more interest to devotees of Duras' greater body of work than to the casual reader.

While brown eyes are the most sultry and green eyes are the rarest, there's something so captivating about blue eyes. When you have blue eyes, it doesn't take much more than bronze eyeshadow and a liquid cat eye to enhance your eye color. If you've already mastered eye-catching makeup looks, however, it's time to start thinking about other ways to enhance your eye color.
