French Reading Knowledge Direct Approach Palmeri

The best approach to gaining a reading language that I've encountered yet. If you are willing to put in five months of consistent work (2-3 sessions/wk), you should be able to gain a reading knowledge of French with nothing more than this book, a dictionary, and a few other French texts of the sort you'd like to be reading.

French for Reading by Karl C. Sandberg - Goodreads

Learning a new language involves listening, speaking, reading, and writing. In the area of language learning, these four skills are critically important. The speaking and listening parts tend to be more difficult and complicated than the acquisition of reading and writing skills. Usually, people struggle most with listening and speaking.

10 Best Language Learning Methods, Techniques, Approaches

In addition to the Direct Instruction approach of ability grouping, scripting, mastery learning and stimulus response teaching, these programs often include characteristics associated with the...

Direct Instruction and the teaching of reading

Direct Approach. When you use the direct approach, the main idea (such as a recommendation, conclusion, or request) comes in the "top" of the document, followed by the evidence. This is a deductive argument. This approach is used when your audience will be neutral or positive about your message. In the formal report, the direct approach usually ...

Direct Approach vs Indirect Approach - Winthrop University

This summary presents a short description of the three main evidence-based types of direct instruction synthesized by Rosenshine (2008), some of the reading programs most associated with them and examples of research showing how direct instruction has helped struggling readers improve their reading skills. The research discussed in this summary is focused on elementary reading instruction ...
