Do I need a degree to take the NCEES PE exam? Some states require that you have a BS degree from an ABET-accredited engineering program, with no exceptions. Other states permit you to take the PE exam with an engineering technology, physics, math, or chemistry degree, or without any degree at all, providing you meet experience requirements.

NCEES FE exam information

Certification as a Land Surveyor-in-Training (LSIT) is the first step required under California law towards becoming licensed as a Professional Land Surveyor. Each applicant must register for the Fundamentals examination on the NCEES website, pay the NCEES examination fee, and sit for the Fundamentals examination. Examinees who pass the examination then apply to the Board (and pay the application fee) to be issued a certificate as either an Engineer-in-Training or a Land Surveyor-in-Training ...
