I'm working on growing our publisher network and thought Little House in the Suburbs would be a great fit for our display advertising partners. I'd love to talk about buying inventory on one or more of your ad placements; obviously I can provide more detail on how we work with our partners, who our advertisers are, and your different ...

About Us

Most days, you could draw a circle around our family that isn't very big. Set the pointed end of your compass at our church and draw north, you'd encompass the girls' school. Keep traveling around to the south and you'd catch our house. You could complete the circle without ever crossing a street. Our commute ...

Little House in the Suburbs by Deanna Caswell, Daisy ...

The Big House Many years ago when your parents were still children, a little girl lived in the Suburbs of Maryland in a McMansion with vinyl cladding and a two-car garage. The little girl was named Lauren and she lived with her Ma and her Pa and her big sister Jennifer and her baby sister Jessica, but they each had their own bedroom because in those days of relatively affordable real estate nobody had to share.

As knitted dishcloth patterns go, this is one of my favorite!. This pattern is kid-tested. However, I don't mean a child knitted it, or a child washed dishes with it. I mean I've knitted it while kids were tugging on the tail of it, trying to make off with the yarn ball, lying across my lap, and asking repeatedly why they can't play with the tapestry needle.
