To celebrate the launch of Project fourth edition, teacher trainer, Gareth Davies looks at three ways to make the digital world work for you in your upper primary classroom.. Over the past few years, technology has gradually become a valuable part of my teaching armoury. My essential teaching tool kit used to be a good course book, a ball, some pictures and coloured pens but now it includes a ...

Project 4 | Young Learners | Oxford University Press

Project third edition encourages students to enjoy the process of learning, through updated content and a wealth of materials. It motivates students with engaging texts, topics, and activities across all five levels. The logical structure and clear approach provide a solid base for learning, as the course presents real language in real contexts.
