Patriot Pirates: The Privateer War for Freedom and Fortune ...

In Patriot Pirates, Robert H. Patton, grandson of the battlefield genius of World War II, writes that during America's Revolutionary War, what began in 1775 as a New England fad—converting civilian vessels to fast-sailing warships, and defying the Royal Navy's overwhelming firepower to snatch its merchant shipping—became a massive seaborne insurgency that ravaged the British economy and helped to win America's independence.

Patriot Pirates by Robert H. Patton (2009, Paperback) for ...

A revelation of America's War of Independence, Patriot Pirates explores an overlooked aspect of the war—that of its citizen privateers, legalized sea rovers who by the thousands raided British trade ships throughout the Atlantic and who were decisive in cracking Britain's wartime resolve.

Patriot Pirates The Privateer War

Patriot Pirates highlights the obscure but pivotal role played by colonial privateers in defeating Britain in the American Revolution. American privateering-essentially legalized piracy-began with a ragtag squadron of New England schooners in 1775.

Amazon.com: Patriot Pirates: The Privateer War for Freedom ...

In Patriot Pirates, Robert H. Patton tells the story of the American privateers in the Revolution. The book covers the entire war from Boston to Yorktown. American merchants armed hundreds of small ships to interdict the British maritime supply lines. Patton illustrates how patriotism and business came together in the privateers.

Patriot pirates : the privateer war for freedom and fortune...

"Having, as an Englishman, been brought up on Hornblower and Nelson, I was fascinated to read Robert Patton's Patriot Pirates and to discover what I never knew about the American Hornblowers—the privateers of the Revolutionary War and their extraordinary adventures. For all those who love history and the sea, this is soul-stirring stuff, as ...

Patriot pirates : the privateer war for freedom and fortune...

Patriot Pirates. Containing tales of danger, greed, and patriotism, Robert H. Patton's Patriot Pirates: The Privateer War for Freedom and Fortune in the American Revolution presents the story of America's seaborne insurgency against British merchant ships and Navy, Privateering, a wartime tactic authorized by Congress and financed by men such as Robert Morris and Nathanael Greene, proved to be a sketchy endeavor for many who took to the high seas to seek their fortunes in an uncertain war.

Patriot Pirates: The Privateer War for... book by Robert H ...

In this lively narrative history, Robert H. Patton, grandson of the World War II battlefield legend, tells a sweeping tale of courage, capitalism, naval warfare, and international political intrigue set on the high seas during the American Revolution. Patriot Pirates highlights the obscure but pivotal role played by colonial privateers in defeating Britain in the American Revolution.

Patriot Pirates: The Privateer War for Freedom and Fortune ...

Patriot Pirates could have been an excellent book with some editing, and an organizational structure. It covers an aspect of the Revolutionary War that I knew little about—the use of privateers to acquire war material, influence international opinion, and make congress some much needed money.

Patton is the author of Patriot Pirates: The Privateer War for Freedom and Fortune in the American Revolution (Pantheon, 2008).

Our Privateer History: 'Patriot Pirates'

Patriot Pirates highlights the obscure but pivotal role played by colonial privateers in defeating Britain in the American Revolution. American privateering-essentially legalized piracy-began with a ragtag squadron of New England schooners in 1775.

Privateers or Merchant Mariners help win the Revolutionary War

Indeed, as Robert H. Patton contends in "Patriot Pirates" (Pantheon, 320 pages, \$26), maritime engagements would prove a decisive factor in the war, as hundred of American privateers harassed British merchant vessels and duelled Royal Navy warships.

Patriot Pirates: The Privateer War for Freedom and Fortune ...

In Patriot Pirates, Robert H. Patton, the grandson of the battlefield genius of World War II, explains how privatizing engaged all levels of Revolutionary life, from the dockyards to the assembly halls; how it gave rise to wild speculation in purchased shares in privateer ventures, enabling sailors to make more money in a month than they might ...

The Unlikely Role of Patriot Pirates | National News | US News

As captain of the privateer *Machias Liberty*, Jeremiah O'Brien later captured two armed British schooners and delivered his prisoners to George Washington. On the General's recommendation, the government of Massachusetts appointed O'Brien to command his two prizes.
