Sexuality: A Very Short Introduction by Véronique Mottier

Is our sexuality determined primarily by our genes? Or is it shaped by the social norms and expectations we happen to be born into. This Very Short Introduction provides an accessible, thoughtful and thought-provoking introduction to major debates around sexuality in the modern world, highlighting the social and political aspects of sexuality.

---

Sexuality: A Very Short Introduction - Veronique Mottier ...

Like all of the Very Short Introductions, this is a quick and dirty summary, but as summaries go I thought it was very comprehensive. The focus is primarily how gender and sexuality have been created and regulated, in the ancient world and then in the modern.

---

Sexuality: A Very Short Introduction: Veronique Mottier ...

Sexuality: A Very Short Introduction focuses on the social, political, and psychological aspects of sexuality to explore what shapes our sexuality, and how our attitudes to sex have in turn shaped the wider world. The assumptions we have about what is 'normal' in sexuality, in reality, vary widely across time and place: from sex education, HIV/AIDS, and eugenics, to religious doctrine, gay ...
