The Examined Life According to Socrates [Lucian of ...

"The Examined Life," by Stephen Grosz, describes the process of psychoanalysis and how the ways people connect the past, present and future reflect their capacity to change.

Living an Examined Life | Psychology Today

Authored by Frank Redmond, 2006. For, according to Socrates, the examined life is a life whereby one is in constant, coherent dialogue both with others and with oneself concerning the meaning and truth of terms like 'virtue' and the 'good' in order to find their respective values. Furthermore, the examined life is a life of action,...

The Examined Life: How We Lose and Find Ourselves - Kindle ...

The Examined Life: How We Lose and Find Ourselves - review. But the author does show how hard-won such moments are. He gives a real (and rare) sense of the texture of analysis, of the weeks and months filled only with frustration, of the missed sessions, tedious repetitions and fruitless guessing as to what is going on.

Community Reviews. First, I value books that make me think, even if a lot of that thinking goes into negative appraisals of the text in question. For such a short book, The Examined Life is teeming with opportunities to test your assumptions and battle internally about how to assess Grosz's insights and methods.
