The Fire is actually a sequel to Katherine Neville's The Eight published some twenty years ago and reviewed by me last year. The Fire, like The Eight, follows two timelines, one past (in this case 1822) and one present (2003). Alexandra Solarin (Xie) was twelve years old in the autumn of 1993.

### **The Fire (The Eight, #2) by Katherine Neville**

Katherine Neville mastered the skill of entwining history, reality, science, and fantasy in exact proportions. "The Fire" blends factual history and myths to a point where the difference disappears, and the reader falls captured by the plot, intriguing settings, and well built ordinary and extraordinary characters. "The Fire" is a quest.
