The 4 Things You Need to Thrive in the Gig Economy
From the perspective of the freelancer, a gig economy can improve work-life balance over what is possible in most jobs. Ideally, the model is powered by independent workers selecting jobs that they're interested in, rather than one in which people are forced into a position where, unable to attain employment, they pick up whatever temporary gigs they can land.

The Gig Economy: The Complete Guide to Getting Better Work ...
Indeed, most gig jobs tend to be quite short-term, requiring only a few hours (or even minutes) to complete. With this definition of a gig, then, the gig economy simply describes the combination of companies who hire gig workers and the workers who earn money from completing gigs. So what exactly does this mean for you as a worker?

Home - Diane Mulcahy - The Gig Economy
Here are 150 Apps that Power the Gig Economy. Go back in time a decade, and you'd have a tough time convincing anyone that they would be "employed" through an app on their phone. And yet, in a short period of time, the emergence of the smartphone has enabled the gig economy to flourish into a multi-trillion dollar global market.

Gig Economy Tax Center | Internal Revenue Service
There are many great aspects to working in the gig economy. "You have the opportunity to control the type of work you, when you do it, where you do it, how much you do it," says Diane Mulcahy, author of "The Gig Economy: The Complete Guide to Getting Better Work, Taking More Time Off, and Financing the Life You Want."

You're in the gig economy. Here's how to save
Whatever your response to it, the gig economy shows no signs of fading, so you might as well learn how to game it. Whether you cobble together your entire occupation on freelance work or partake in the after-hours project, here's your complete guide to navigating the waters. First off, what is the gig economy?

What You Need to Know About the Gig Economy - Asure Software
When the gig economy is functioning correctly, the worker is an equal partner with say in the terms of the contract - this ideal is precisely the reason so many workers are drawn to the gig economy in the first place. When the gig economy is not functioning correctly, the worker has to accept the contract as offered, often to their detriment.

Your Complete Guide Making Money With the Gig Economy
"The Gig Economy is THE career handbook for our generation. With ease, clarity and authority, it navigates our ever-changing and uncertain business landscape, helping to coach both recent grads and career-changers alike to make the most of their skills, their passions, and their future."

List of gig economy companies - Wikipedia
In the gig economy, businesses hire contractors instead of full-time employees to complete short-term engagements or assignments. According to Gallup, "about 36% of U.S. workers participate in the gig economy through either their primary or secondary job."

The Complete Guide to Delivery in the Gig Economy ...
The Congressional Research Service defines the "gig economy " as: the collection of markets that match providers to consumers on a gig (or job) basis in support of on-demand commerce. In the basic model, gig workers enter into formal agreements with on-demand companies to provide services to company's clients.

Infographic: The 150 Apps that Power the Gig Economy
With nobody to look over shoulders, gig economy workers may find they are given a task and then mostly left alone to complete it. This can be a great boost of confidence and give workers the ability to complete a job the way they believe it will be best done—on their timetable and in their way.
