Haiku in English. A haiku in English is a very short poem in the English language, following to a greater or lesser extent the form and style of the Japanese haiku. A typical haiku is a three-line observation about a fleeting moment involving nature. The first haiku written in English date from the early 20th century,...

In this mortal frame of mine, which is  
made of a hundred bones and nine  
orifices, there is something, and this  
something is called a wind-swept spirit,  
for lack of a better name, for it is much  
like a thin drapery that is torn and swept  
away at the slightest stir of the wind.

This essay offers readers unparalleled  
insight into the living heart of  
haiku—how haiku work and what they  
hold, and how to read through and into  
their images to find a full expression of  
human life and perceptions, sometimes  
profound, sometimes playful.

### ~~The Heart Of Haiku Kindle~~

Packed with original translations, The Heart of Haiku is an elegant and reverent exploration of an itinerant artist who "wanted to renovate human vision by putting what he saw into a bare handful of mostly ordinary words, and... to renovate language by what he asked it to see." Absolutely no prior interest in poetry is necessary to take from Hirshfield's essay the inspiration to drop everything, walk out in to the wide world, open your eyes, and find out for yourself that "even the briefest ...
