Amazon.com: Customer reviews: The Heretic's Guide to ...

I still left the global world of radical left-wing academia, and went to London with two goals at heart. Goal one: To break right into the financial sector at the heart of one of the most powerful centres of the global economy and also to see first-hand how it proved helpful. to learn by doing, not by reading.

Guide to Global: Multiple Monitors

Global warming is harsh toward skeptics, heretics, and other "deniers." One of the most dangerous features of the global warming religion is its level of intimidation of the heretics, the non ...
