

# The Invention Of The Restaurant Paris And Modern Gastronomic Culture

## **The Invention Of The Restaurant**

This is a book about the French Revolution in taste and of the table—a book about how Parisians invented the modern culture of food, thereby changing their own social life and that of the world. During the 1760s and 1770s, those who were sensitive and supposedly suffering made public show of their delicacy by going to the new establishments known as “restaurateurs’ rooms” and there sipping their bouillons.

## **The Invention of the Restaurant — Rebecca L. Spang ...**

Offering both a detailed history of the emergence of the restaurant and an introduction to the major cultural and political movements of the revolutionary era, *The Invention of the Restaurant* spans the period from 1770 to about 1840. — Jody Greene. *Eighteenth-Century Studies*. It is by now hardly necessary to point out that this is an excellent book.

## **The Invention of the Restaurant: Paris and Modern ...**

*The Invention of the Restaurant* explains that the first restaurants were providers of health food, especially in soup form, hence the name 'restaurant', from the verb 'to restore', namely restore one's health. The attraction was thus born of ancien régime sensibility and the Rousseau-ist craze for natural things.

## **The Invention of the Restaurant: Paris and Modern ...**

To find the answer, Rebecca Spang takes us back to France in the eighteenth century, when a restaurant was not a place to eat but a quasi-medicinal bouillon not unlike the bone broths of today. This is a book about the French revolution in taste—about how Parisians invented the modern culture of food, changing the social life of the world in the process.

While historians have long agreed that the French invented both the concept of cuisine and a method of delivering it, received wisdom had it that the restaurant did not come into being until after...

## **The Invention of the Restaurant Summary - eNotes.com**

Spang, in this fun (but occasionally dense) bit of popular history, goes back to original sources to identify the restaurant's beginnings in 18th Century France — not during the Revolution, as is sometimes reported, but decades prior. As it turns out, before a "restaurant" was a place to eat it was a thing to eat.

## **The Invention Restaurant - Home - Milan, Ohio - Menu ...**

The Invention of the Restaurant concerns the emergence of the restaurant as public space and the concomitant development of an authentic discourse and doctrine of gastronomy which has its adherents to this day. Gastronomic skills have been part of the definition of gentlemanliness for more than a century, in Britain as in France; Dorothy L. Sayers's renowned detective hero, Lord Peter Wimsey, was an epicure, and wine-tasting is nowadays a popular activity of many middle-class couples, for ...
