

## The Language Of Paradox By Cleanth Brooks

### The Language Of Paradox By

His seminal essay, "The Language of Paradox," lays out Brooks' argument for the centrality of paradox by demonstrating that paradox is "the language appropriate and inevitable to poetry." The argument is based on the contention that referential language is too vague for the specific message a poet expresses; he must "make up his language as he goes."

### Cleanth Brooks' Concept of Language of Paradox | Literary ...

core poetry is the language of paradox. •Brooks bases his position on the contradictions that are inherent in poetry and his feelings that if those contradictions didn't exist then neither would some of the best poetry we have today. •Cleanth Brooks argues that poetry is made up of a language of paradox, meaning that poetry is

His seminal essay, "The Language of Paradox," lays out Brooks' argument for the centrality of paradox by demonstrating that paradox is "the language appropriate and inevitable to poetry." The argument is based on the contention that referential language is too vague for the specific message a poet expresses; he must "make up his language as he goes."

### Welcome: Cleanth Brooks: The Language of Paradox (The Well ...

'The Language of Paradox', the first chapter of Cleanth Brooks' Well-wrought Urn, begins with the famous statement: '...the language of poetry is the language of paradox'. Paradox is the language of 'sophistry, hard, bright' and 'witty' and not the language of poetry. 'Our prejudices force us to regard paradox as intellectual rather than emotional, clever rather than profound, rational rather than divinely irrational'.

### THE LANGUAGE OF PARADOX - Dr. Sreekumar's English ...

Few of us are prepared to accept the statement that the language of poetry is the language of paradox. Paradox is the language of sophistry, hard, bright, witty; it is hardly the language of the soul. We are willing to allow that paradox is a permissible weapon which a Chesterton may on occasion exploit.

### **Paradox (literature) - Wikipedia**

A paradox is a figure of speech in which a statement appears to contradict itself. This type of statement can be described as paradoxical. A compressed paradox comprised of just a few words is called an oxymoron. This term comes from the Greek paradoxa, meaning "incredible, contrary to opinion or expectation."

A paradox, also known as an antinomy, is a logically self-contradictory statement or a statement that runs contrary to one's expectation. It is a statement that, despite apparently valid reasoning from true premises, leads to a seemingly self-contradictory or a logically unacceptable conclusion.

### **Paradox - Wikipedia**

A person, thing, or situation that exhibits inexplicable or contradictory aspects: "The silence of midnight, to speak truly, though apparently a paradox, rung in my ears" (Mary Shelley). 3. A statement that is self-contradictory or logically untenable, though based on a valid deduction from acceptable premises.
