Guide To The Craft Of Fiction
by Stephen Koch ...

The Modern Library Writer's Workshop is clearly addressed to novice writers, but I hope its value does not exhaust itself at the beginner's level. I hope that colleagues at every stage of development will find something useful here. Writers' lives, most of them, move in phases, and each new phase of a

Poets & Writers Live is an initiative developed in response to interviews and discussions with writers from all over the country. When we asked what Poets & Writers could do to support their writing practice, time and again writers expressed a desire for a more tangible connection to other writers.
