irresistible. Like a child
they are impish,
vulnerable and
defenceless, open and
spontaneous. They
make their audience
lower their guards
because they appear
so guileless and fresh.

Seduction is a process that occurs over time—the longer you take and the slower you go, the deeper you will penetrate into the mind of your victim. It is an art that requires patience, focus, and strategic thinking. You need to always be one step ahead of your victim, throwing dust in their eyes, casting a spell, keeping them off balance.
